HEALTH INSURANCE POLICY DOCUMENT PACK

Six standalone synthetic health-insurance policies combined into one document

Purpose: This document contains six independent policy records. Each policy has its own policyholder, plan, premium, coverage, waiting periods, exclusions, claim procedure and servicing information. It is designed as source material for RAG, retrieval, policy Q&A; and document-processing tests.

Document notice: All people, insurers, policy numbers, prices, benefits, limits, dates and terms are fictional. This is not an insurance contract, quotation, certificate or document issued by any real insurer or marketplace.
